

Wonderseekers

Southampton
National
Park
City

What is your outside space?

What is your outside space like? What can you see?

Do you see any animals?

Are there lots of plants?

What sounds do you hear?

What does the ground feel like?

What can you do and play with?

Let's make a collage of your outside space. Use a piece of A5 card and add whatever natural materials and craft materials you can find. Draw and colour as much as you like. Make sure you write your name on the back!

Your collage will be displayed at:

Urban Wild Festival,

Southampton Common, Sunday 1st June 2025

Find out more: www.southamptonnpc.com/urbanwild

We would love to see you there!
